Music Road Hotel Pigeon Forge, Tennessee

Hotels & Motels

This 168-room, seven-story resort hotel, located on the Little Pigeon River, features an indoor swimming pool and two outdoor pools, an arcade, children's rides, an amusement center, meeting rooms, and other amenities. Accommodations range from single rooms to suites with fireplaces and hot tubs.

The structural system consisted of two-way concrete slab. The attractive hipped roof was framed with metal studs bearing on a concrete roof slab.
