Prescott South Elementary and Middle School Putnam County, Tennessee

*Elementary
& Middle Schools*

This 275,700 square foot school facility combines a Pre-K through fourth grade elementary school with a fifth through eighth grade middle school. The elementary and middle school portions of the facility each contain separate classroom wings, gymnasiums, administration offices, entrances, libraries, and cafeterias spaces. Shared spaces include the kitchen space and an 840 seat, 10,000 square foot auditorium space. Both the elementary and middle school have a two-story classroom wing which make up approximately 143,000 square feet. The structural system consists primarily of steel joist roof framing and reinforced masonry bearing walls. The two-story classroom wings utilize composite steel-concrete floor framing.
